

INTEREST PROJECTS

Cadettes and Senior Girl Scouts will love the hands-on, enriching experiences available at Arbor Day Farm. With activities eligible for nine different badges, Cadettes and Seniors will examine their own values and beliefs about wildlife and the environment, learn about the conservation practices in use at Arbor Day Farm, and enjoy a day of nature exploration.

Each Cadette/Senior Scout receives: two hours of facilitated time, admission to Arbor Day Farm® Tree Adventure™ attraction, necessary supplies, tree seedling, trail mix, and an apple cider slush. \$12 per scout. Leaders/others pay regular admission.

Some of the offerings at Arbor Day Farm include:

- **Build a Better Future**, *Skill Builder 5* — Use examples from the past and develop new ideas for the future.
- **Eco-Action**, *Skill Builder 2, Technology 1 and 5* — Hands-on opportunities to benefit our environment.
- **Plant Life**, *Skill Builder 6, Career Exploration 1, Service Projects 5* — Explore the beauty and function of plants.
- **Wildlife**, *Skill Builders 1, 2, 3, and 4, Service Projects 1 and 4* — Learn wildlife facts, tree identification, and more.
- **All About Birds**, *Skill Builders 2 and 3, Service Project 2* — Observe and identify our feathered friends.
- **Digging Through the Past**, *Skill Builder 1, Service Project 1* — Examine local geology and search for specimen.
- **Planet Power**, *Skill Builder 5, Technology 4, Career Exploration 1* — Explore alternative energy sources.
- **Architecture and Environmental Design**, *Skill Builders 4* — All about nature's building material – TREES!
- **Museum Discovery**, *Skill Builder 1, Technology 4, Career Exploration 3 and 4* — A comprehensive look at the historical site of Arbor Day Farm.
- **Campout at the Tree Adventure** — Basic overnight accommodations for up to 25 people, evening movie, campfire experience with s'mores, swimming, breakfast for the group. Package pricing and badge work options are available. Call for pricing and complete details.

If you are interested in trees and plants, science and research, the Lied Greenhouse staff and orchard staff would love to give you a behind-the-scenes view of their daily work. Photography as a career? See what develops when you grab your camera and take an Adventure Hike at the Tree Adventure.

Arbor Day Farm is the premier local resource for Girl Scouts. **Book your visit today!**
